

# Day 3: Control Flow and Logic Operators

• If condition:  
do smt

\* Indentation is important

else:  
do something

• Comparison operators:  $>$ ,  $<$ ,  $\geq$ ,  $\leq$ ,  $==$ ,  $!=$

• Nested if

```
if
  if
  elif
  else
```

• Multiple if statement in succession

```
if
if
if } All are executed!
```

• Logical operators

• and &

• or |

• not !
